"Christ is the end of the law so that there may be righteousness for everyone who believes."

ROMANS 10:4

From the Desk of Dr. Wrobbel

We need your help. As part of my interview of new families I ask them how they heard about Trinity Oaks. The vast majority of these parents have told me that they heard about Trinity Oaks from a past or current school family. You are without a doubt our best recruiters. Please help us get the word out, we are currently interviewing and accepting new students at all grade levels for the 2009-10 school year. Are you aware of any families who would be interested in a Christian education? Please invite them to our Open House Thursday, February 18 at 7:00 p.m. Thank you for your help in promoting Trinity Oaks. Also, don't forget to take advantage of the **Each One Reach One** program which can help you reduce your tuition costs.

We are well into the third quarter of the school year; let's continue to encourage each child to give their best day in and day out. There are numerous projects in progress that require "beyond the normal" day to day schoolwork. Thank you for your efforts as together we keep our students on task, hold them accountable, and meet deadlines. One of the results is that our students learn the value and reap the benefits of using the abilities God has given them to their fullest extent.

Dine and Share

Invite friends to meet you at Colonial Café in Crystal Lake on Tuesday, 2/9 between 4 p.m. and 9 p.m. Not only will Colonial donate 20% of your tab back to the school, but you will also enjoy a free turtle sundae with each dinner entrée. Make sure to bring the flyer enclosed in your Tyvek. See you there!

Vision 2020

Are you anxious to find out about the strategic road-map outlining the next ten years for Trinity Oaks Christian Academy? Make sure to attend the informational meeting on Monday, 2/8 in the gymnasium. Dessert and coffee will be served at 6:45 p.m. and the meeting will begin promptly at 7 p.m.

Happy Valentine's Day

On Thursday, 2/11, students will be allowed to wear red or pink shirts with jeans. Students will not be allowed to color their hair or skin.

Second Preschool Session

We are thrilled at the overwhelming response we have had to our 3 year-old preschool program! Due to the number of families enrolling, we are considering opening a second session that will meet on Mondays and Wednesdays, 8:25 a.m. to 11:25 a.m. Fridays will also be available on a week-to-week drop-in session with additional enrichment activities for families who prefer three days instead of two. If you are interested, please contact Melissa Filippi.

Calling all Judges

Thank you to everyone who has signed up to help with the Science Fair on 3/9. We are still in need of 12 more judges (parents, grandparents, neighbors) for this to be a successful morning. Please consider volunteering if your schedule allows. You do not have to have a scientific background, and training and refreshments will be provided!

Condolences

Our hearts go out to the TOCA families who are grieving the loss of loved ones this week. Sherry Bennett (Mitchell 4th) lost her mother to Parkinson's and Lisa Simon (Ben 3rd, Rachel 5th) lost her father to cancer. Please remember these families during your prayer time.

Freres Family Update

Karen Freres and her family appreciate all of the prayers and support that TOCA families have provided. If you would like a tangible way to continue to meet the needs of the family, please access the following link:
