

Financial Assistance Programs 2026 – 2027 School Year

Trinity Oaks Christian Academy desires to assist families in providing a Christ-centered education for their children and for every school family to be able to continue this education at Trinity Oaks. The following programs have been established to help meet this need. For more details about any of these programs, please contact the Admissions Office at (847) 462-5971.

Need-Based Financial Aid

For the 2025-2026 school year, Trinity Oaks awarded over \$370,000 to assist families who demonstrated financial need. Families have the potential to receive up to 40% off their tuition bill. The financial aid process is completed online in a confidential manner through FACTS GRANT & AID. A link can be found in the online enrollment process and on TOCA's website.

Multiple-Child Discount

Multiple children from the same family enrolled are eligible to receive a 10% discount for each child after the eldest student (1st child: 100%; 2nd child and up: 90%) upon request.

Each One Reach One (EORO) Referral Program

Trinity Oaks offers an incentive to families who help us boost our enrollment. A referring family will receive a \$1,000 tuition credit for each newly enrolled full-time student they refer. The applying family must name the referring family in the application process. (Half-day kindergarten \$500 credit; pre-kindergarten \$300 credit; preschool \$200 credit) for each student referred. For complete rules and regulations please refer to the Each-One-Reach-One referral form.

Christian Worker Discount

Full-time pastors or Christian workers employed at a local church or religious organization may receive up to a 40% credit towards tuition cost. Verification form required.

First & Second Grade Tuition Program

A \$500 tuition credit is awarded for each year a student attends Trinity Oaks preschool, prekindergarten, and kindergarten (maximum credit of \$1,500). This credit will be applied evenly towards that student's first and second grade tuition at Trinity Oaks Christian Academy.

High School Tuition Program

A \$250 tuition credit is awarded for each consecutive year a student attends grades K-8 at Trinity Oaks (maximum credit of \$2,500). This credit will be applied evenly toward that student's ninth and tenth grade tuition at Trinity Oaks Christian Academy.

Gift Card Rebate Program

Trinity Oaks partners with Raise Right (formerly Shop with Scrip) and offers the opportunity for families to purchase gift cards to use for everyday essentials instead of using cash or credit. With every gift card purchase, you earn a percentage that is applied to your fundraising account that is distributed twice yearly towards tuition.
