The **5th/6th grade girls volleyball** season was an amazing season with a 14-2 record! There were 22 girls on the team who were eager to learn the game and enthusiastic about playing opportunities, even if it meant sharing time with many teammates. This incredible group of girls will continue to do great things as TOCA athletes in the future. They will be fun to watch!

The **High School girls team** had an exciting and successful season finishing with a 12-1 record! The nine girls worked so hard to improve and compete at a high level. All the girls have high expectations for one another and showed what a talented bunch they are. It was so much fun to watch their knowledge and skill in the sport grow throughout the season. We can't wait to see where they go next year with all of the girls returning. It was a fantastic season with amazing athletes!

The **7th/8th grade girls volleyball** team finished their season with a 16-6 record and went on a 9-match winning streak following their 4th place finish at the Great Lakes Tournament to start off the season. With each ensuing victory, the whole team's confidence continued to grow and they began to exhibit better ball control and more consistent serving each time that they stepped on the court. Even with a few losses mixed in with additional wins in the last few weeks of the season, the players learned to persevere in the face of adversity and showed a lot of courage even when they were missing a player or two against some of the better teams. Looking over the team roster, we will only graduate 3 of our 12 players, so we will have a solid, experienced group to begin next season, especially, when some of this year's 6th graders move into 7th grade next year. The future does look bright indeed for the 2023 7th/8th Girls Volleyball Team too! "Go Huskies"!

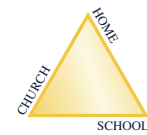

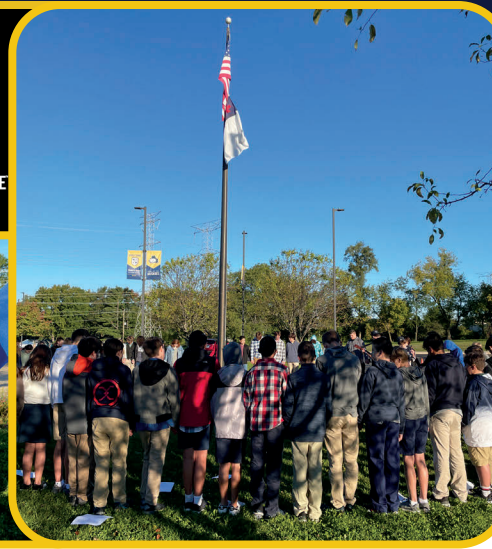

This year in **Cross Country**, we focused not only on training as runners but on training in godliness as Paul reminds us to do in 1 Timothy 4:8. We trained hard, had a lot of fun, and had an exciting season! Our 7th and 8th grade team earned one 2nd place team trophy and two 1st place team trophies at invitational meets this season. Our 6th grade team earned one 2nd place team trophy and one 1st place team trophy at invitational meets. A special congratulations to our MVP, Oliver Ebel, who had four 1st place overall finishes and two 2nd place overall finishes! Congratulations also to Blake Gregga, who received our Most Improved Award, and to Collin Kitchen, who received this year's Coach's Award. We are so proud of all of the boys who continued to grow as runners and improve their times throughout the season!

LEADING THE WAY

Dr. Paul Wrobbel
Head of School

We serve a truly amazing God. We have seen God's hand of blessing all over Trinity Oaks over these past few months. We are thrilled that 36 new families committed themselves to our mission of partnering with the home in the training of children to lead Christian lives; in all 70 new students enrolled this year. That is a 30% increase in enrollment allowing us to reach a new enrollment high of 301 students. Joining these new families are 11 new faculty and staff members. It has been great to see these families and students joining right in and getting involved with the events and activities highlighted in this issue of the Oak Leaf and many others that we do not have the space here to talk about.

None of this would be possible without your prayer and financial support of the ministry of Trinity Oaks Christian Academy. Thank you for helping us train the next generation to anchor their lives on the Word of God and learn to live by these unshakable biblical principles in order to impact the world for Christ with servants' hearts. Please continue to pray for our students and faculty as they pursue living out their lives fully committed to Christ.

BACK TO SCHOOL!

Another exciting start to a great school year! Students, teachers, and TOCA parents kicked off a brand-new school year with many treasured memories to come.

GRANDPARENT'S DAY

Each year, Trinity Oaks sets aside a very special day to honor our grandparents and their wonderful legacies in Christ. It was a beautiful day filled with song and classroom visits, celebrating our grandparents and the many handprints they leave on the hearts of their grandchildren.
